

# Frequently Asked Questions

## **What is Camp Wonderopolis®?**

Camp Wonderopolis® is a free online summer learning resource fueled by the the National Center for Families Learning (NCFL). As an extension of the award-winning Wonderopolis®, Camp is designed to pique both a child and adult's natural curiosities about the world through Maker activities, 42 Wonder lessons, and lots more fun along the way. Counselors (parents and educators) can track a Camper's or multiple Campers' progress throughout the summer or school year—and even sign up to participate themselves!

## **What's included in the online content and curriculum?**

Camp Wonderopolis offers 42 exciting Wonders about music across six topic areas ranging from careers and history to music's relationship to math and science. Each lesson includes informational text discussing a curious question, an interactive vocabulary study, a video and photo gallery, related activities to extend the Wonder, and a quiz with a chance to earn a Wonder Card®. Recommended reading lists and step-by-step instructions for at-home Maker activities are also included for each of the six themed tracks in Camp.

## **What ages is Camp Wonderopolis appropriate for?**

Camp Wonderopolis is built for learners of ALL ages, but is especially targeted at summer learners in grades 2–8. Campers under the age of 13 will need to have their registration verified with the email address of a parent or guardian.

## **What are the dates for Camp?**

This year's Camp will begin June 11 and will be available through the summer and beyond. You can visit any edition of Camp by visiting our Camp Wonderopolis portal page at [camp.wonderopolis.org](http://camp.wonderopolis.org).

## **How much does Camp cost?**

Camp is absolutely free for all Campers and Counselors. All you need is an email address and Internet access. NEW for 2018: Camp Wonderopolis is also available as a free, downloadable app for Apple and Android devices!

**Note:** To enhance your Camp experience, there also are Campsite Kits available for purchase for individual families as well as programs. These kits help bring Camp to life with information and materials to build hands-on learning experiences through the summer and beyond. Family Kits are packed with Maker activity supplies, Wonder goodies, and a 24-page Family Guide with lots of ways for families to have fun learning together. Program Kits provide online training, support materials, and ways to promote your Camp activities. Campsite Kits can be purchased in the [Wonder Store](#).
